ABW PUBLICATIONS

A CARD.—THE ATTENTION OF THE UNDERSIGNED having been called to a book, just published, entitled, "Cone-Cue Corners," which contains injurious statements respecting the late irm of Baggichail, Floric & Co., to the effect that they were in the habit of imposing upon their numerous oustomers by selling ville manufactured liquors for pure, genuine articles, I deem it but justice to myself, sa well as the friends of the late firm, to don't these charges in the most emphatic manner. No article of liquor was ever sold by Bragglehail, Floric & Co., which was not genuine and precisely as represented. I am aware that some calling themselves "respectable dealers" are in the habit of manufacturing spurious articles, but am proud to be able to declare that so firm of which I have ever been a member has been guilty of such practices. Whether I shall sook legal redress's against the perpetantors of this outrage, in the present unastigateory state of the laws, must depend on riccumstances. Measwhile, I haston to make this public desial of the charges.
